Respected sir,

Please find attached herewith reply to query point number 2

**Query:** in the video uploaded on the portal it has been noticed that two electric poles are seen inside the boundary wall the school is advised to either remove the said poles or make adequate safety measures in this regard.

**Reply:** Respected sir the school has well noted the query and concern raised by the board and thank you for the same

The school has already submitted an application to the concerned government Electricity Board (PGVCL) to remove the electric poles fixed by them on an immediate and urgent basis. The copy of the application submitted to the electricity board is being attached here with below for your kind reference pls.
